- Saturday, November 4th - PTO Ski Tuning Fundraiser Drop Off 9:00-11:00am.

### **A friendly reminder regarding Halloween:**

With Halloween right around the corner, please make sure candy *and* the related confections **stay at home**; when a student has candy and the related confections while in school, even at lunch or snack, it causes quite the distraction! As for halloween costumes, remember that any toy guns, knives, spears, bo staffs, swords, nunchucks, scythes, katanas etc. aren't allowed in school.

**Please mark your calendars** - The culminating *Sticks and Stones* extravaganza will be held Thursday, October 26th in the Commons Building at 5:30pm. **Students will need to be dressed and at the venue by 5:00pm.**

**Step-Up Day in Rye** - **Grade Six students** will be participating in a shadow day at Rye Junior High School on Tuesday, October 31st. Students will ride the bus to RJH in the morning from their designated New Castle Junior High bus stop locations; if you are unsure of where your child's bus stop is, please contact Sam Fuller. After students have lunch at the RJH, they will return by bus to MHT at about 12:30pm. Principal Latchaw is looking for a parent to volunteer to chaperone by following the bus to and from RJH in order to ensure the safety of the students!

Thank you to Ryan Ritchey MHT parent and a proud member of the United States Coast Guard who visited with students to share his experiences and extensive knowledge of seafaring vessels; the kids love it!

This week our Grade 5 & 6 French students were visited by classically trained French Chef Michael Whelan for a lesson on cuisine!

Please see the attached flyer in regard to the November PTO SKI Tuning Fundraising Event.

~ *Enjoy your weekend!*
